Family History Learning and Research Made Easy

Home Page

- Overview Video: Discover what The Family History Guide is all about, in 2 minutes.
- Intro Video: Get a guided tour of The Family History Guide in less than 25 minutes.
- Tiles: Quickly find basic features on the site.
- Search and Translate: Use Search to find content quickly, or Google Translate for other languages.

Learning Paths

Follow Goals, Choices, and Steps to learn leading family history platforms: FamilySearch, Ancestry, MyHeritage, and Findmypast. Sample Projects are Family Tree, Memories, Research, Help, and DNA. Tile pages help you see entire Projects at once.

Faiths

- Find resources for family history for Catholic, Protestant, Jewish, and Latter-day Saint users.
- For Latter-day Saints, see the Weekly Family History Activities and Youth Pages.

Training

- Choose from 100's of Class Outlines to deliver training quickly & easily, without slides & handouts.
- Use the Prepare a Class page for easy class prep.
- Get tips for training families, groups, individuals, youth, beginners, and children.
- Use Practice Exercises, The Q&A Center, and Quizzes for interactive training.
- Get tips for instructor preparation & teaching.

Youth

- Youth can enjoy great family history pages especially for them: Photos & Stories, Activities, Family Tree, Places & Cultures, and more.

Activities

- Find and use great family history activities for families, individuals, youth, & children.
- Use the Activities Index to quickly browse through activities of interest.
